# Dexion Laubach at the 10th OCL Challenge in Nidda

**The “Oberhessen Challenge” is a course that was established to finance social projects in our region.**

It has been taking place for the past 10 years and this year, 16 of our colleagues entered the event to help raise money for a good cause.

The Dexion team joined more than 2,500 runners who all completed a 5.2km long course through Nidda in the sunshine, before enjoying the finisher party afterwards in good spirits. The “Finisher” clearly agreed on that, “we all will be back next year!”.
