

Reference: Storage and Work Areas

From shelving systems and small parts storage to mezzanine floors and pallet rack systems, Dexion have the best system for you. Since the launch of the world's first – adjustable storage system, over sixty years ago, Dexion has been setting the standard for efficient and practical storage of every kind.

To this day we continue to develop innovative storage products with our customers' needs in mind, manufacturing and supplying storage equipment right across Europe.

Storage and Work Areas is a reference in the category
