Dexion Laubach at the 10th OCL Challenge in Nidda

The “Oberhessen Challenge” is a course that was established to finance social projects in our region.

It has been taking place for the past 10 years and this year, 16 of our colleagues entered the event to help raise money for a good cause.

The Dexion team joined more than 2,500 runners who all completed a 5.2km long course through Nidda in the sunshine, before enjoying the finisher party afterwards in good spirits. The “Finisher” clearly agreed on that, “we all will be back next year!”.
